The Baldwin family started Pancake Pantry in 1961 with the dream of building a neighborhood spot centered around uncommonly good pancakes. It quickly became known for much more than its incredibly delicious pancakes but for its friendly, familiar atmosphere and long line of guests wrapped around the block, eagerly awaiting a table. Ownership changed hands in 2017 and we have every intention of carrying on the legacy the Baldwins entrusted to us. We are so glad you are here and have chosen to be a part of our story!
